

**STATEMENT OF SUBSTANCE OF INTERVIEW**

Applicant's undersigned representative telephoned Examiner Jean D. Saint Cyr and Supervisory Examiner Brian Pendleton on October 14, 2010 to discuss the status of the present application.

During the interview, the rejection of claim 1 with respect to Kondo et al (U.S. Patent 6,763,522) was discussed. General amendments were discussed. The Supervisory Examiner indicated that amending the claims to recite "tuning to a frequency of the selected channel number" would overcome the current rejections of record.

Applicant amends the claims pursuant to the Examiner's suggestions.

It is respectfully submitted that the instant STATEMENT OF THE SUBSTANCE OF INTERVIEW complies with the requirements of 37 C.F.R. §§ 1.2, 1.133 and MPEP § 713.04.
